LA HWY-1 @ LA HWY-1247 ASPHALT OVERLAY

Map courtesy of Bing™ <http://www.bing.com/maps/>

LA HWY-1, a nationally designated scenic byway route dubbed the "Louisiana Bayou Byway", is the main traffic corridor in the community of Labadieville as well as the remainder of the parish. This route is also heavily traveled by carrier trucks hauling hazardous and non-hazardous materials as it is a direct route to Port Fourchon and Gulf of Mexico industries. Much of LA-HWY 1 in this community is in disrepair and this project

while this project will not complete the entire overlay in this community, MPO funding will allow Assumption parish to overlay approximately 2,300 feet of roadway. Overlay will begin at Oak Street and continue to Cindy Street.

This project :

- ◆ Will repair major flaws on existing roadway's surface
- ◆ Advance the Assumption parish road system
- ◆ Will benefit all of Assumption parish
- ◆ Can be let into construction in 120 days
- ◆ CANNOT be completed without ARRA funding

Potholes and cracks in existing roadway will be repaired through this overlay project.
