

American Recovery and Reinvestment Act of 2009

Louisiana's Transportation Stimulus

LA Hwy 1 and Jackson Street Intersection

Background:

LA Hwy 1 intersects with Jackson Street within the corporate limits of the City of Thibodaux. LA Hwy 1 is a two-lane road and is the main east-west corridor through the heart of the city. It is heavily traveled by motorist traveling westward to Baton Rouge and eastward to New Orleans. LA Hwy 1 also connects the western side of Thibodaux and Assumption Parish to Nicholls State University. Jackson St is a two-lane road and runs north-south through the city. This roadway provides access to downtown Thibodaux and is the main truck access route through the city.

Proposed Improvements:

- Westbound left turn lane on LA Hwy 1
- Eastbound left turn lane on LA Hwy 1
- Estimated Construction Cost: \$ 125,000.00

Project Summary:

- **Will** increase left turn safety on LA Hwy 1 and reduce accidents
- **Will** ease congestion at the intersection and improve the level of service of the existing signal
- **Will** improve the City of Thibodaux's infrastructure system
- **Can** meet the ARRA's required schedule
- **Will** be delayed significantly without ARRA funding

Westbound LA Hwy 1

Eastbound LA Hwy 1
